From: Jay Rodrigues
To: Artemis travel
Subject: disaster holiday in Crete.

Dear Artemis Travel,

I am writing to express my dismay and utter dissatisfaction with my recent holiday in Crete. We were promised an all-inclusive deal with no extras to pay for. This is written in your advertising and was confirmed when I asked the questions very specifically before finalising my booking. This turned out not to be the case.

The transit, food and hotel were already paid for, plus one drink at the bar per person per day. After that each drink was extra. In your ad, you specifically mention breakfast in bed but fail to say that this will also cost extra.

The photo you use of the hotel does not look anything like the hotel we stayed in and the advertised kids pool was notable by its absence. I am considering taking this up with the authorities as a case of false advertising.
